New Employees
Executive Director
Matt Osborne, the new Executive Director attended the last meeting of the SLP/A Board. In his report issued August 1, 2013 he stated, “Some of you have asked for a bio, and this is a little late, but I grew up in Danville and graduated from Centre College. Prior to joining the Occupations and Professions team, I worked in state government as the Legislative Director and Executive Advisor for the Transportation Cabinet, Executive Director of Government Relations for the Tourism, Arts and Heritage Cabinet, and the Director of Adventure Tourism. In addition to the government experience, I worked on Governor Beshear’s campaigns in 2007 and 2011, and I was the Deputy Director for the Burnamwood Camp and Conference Center in Irvine, KY. My wife, Sara, and I live in Lexington. I have already had the opportunity to visit with a few of the boards and meet the members, and it has certainly been a pleasure. For the boards I have not visited yet, I promise to do my best to do so in a timely manner.”

Administrative Specialist III
The register for this position has closed and Deb Day, Susan Ellis and Matt Osborne have already conducted interviews. They hope to have the position filled as soon as possible.

Budget
Unusual budget expenses were to have been submitted to Susan Ellis in writing by August 1. SLP/A does not foresee any unusual expenses.

Database
The Commonwealth Office of Technology has put together a dedicated team to oversee the construction of the database project. Justin Turner, IT reported on the progress of the project. They are in Phase 1 and hope to have the mock-up ready by December and be up and running in December.

KRS 131.1817 – Department of Revenue
Michael West commented on the pension reform bill that passed during the 2013 Regular Session. It went into effect at the end of July and notices, under the Tax Payer Bill of Rights, have been sent to delinquent taxpayers to let them know that this law passed and because of it, their driver’s license or professional license may be revoked. Over the next few months, the Department of Revenue will send additional notices to delinquent tax payers in an effort to collect the due taxes. O&P has asked, and the Revenue Department has agreed, to have someone present the law, timeline and intentions to all of the boards that Occupations and Professions provides service to.

KECC Donation
Ms. Duval handed out the brochures and forms for the Kentucky Employee Charitable Campaign and explained the procedure for making a donation.

Attorney’s Report
Michael West stated that he would give his report during the Complaint Committee Report.

Old Business
Justin Turner, IT, reported on the requests he had received from the Board. He stated that the database currently does not allow licensees to change their names/addresses themselves but they will be able to do so with the new system in the spring. Mr. Turner stated that he is also not able to give the Board a count on the question of how many visits were made to the website. He told the Board that he will follow-up with COT to see about capturing demographics to show the number of visits in the future.
The 26th Annual NCSB Conference to be held in San Antonio October 10-12, 2013 was discussed. Lynda Bracken, George Purvis, and Michael West will be attending.

The Archive notebook was returned by Richard Dressler who stated that it looked good to him. Michael West took the notebook to review and will return it to Marcia Egbert at the next meeting. The Scope of Practice-Screening for depression ruling that was sent to Marcia Egbert by Deanna Frazier needs to be entered into the Archive notebook when it is returned.

Goals and Timelines are up to date. No further action at this time.

**New Business**

The Board reviewed the response that Chair Anne Olson made to Tracy Mullins in regard to evaluations /assessments/billing. After discussion a motion to approve legal counsel to send a letter to First Steps to see if a representative could attend the September 10th meeting to discuss the e-mail was made by Richard Dressler and seconded by Lynda Bracken. The motion carried unanimously. Mr. West will send the letter.

The Board received an e-mail from Lori Rogers who was requesting input on the critical public health issue of suicide. It included a survey. Marcia Egbert forwarded the e-mail/survey to Chair Anne Olson who responded to the survey. No further action taken.

Marcia Egbert received information from ETS on obtaining Praxis scores through ETS Data Manager. This will help processing of applications. Robin Harris made a motion to approve the Board Administrator to receive scores through the ETS Data Manager. Richard Dressler seconded the motion. The motion carried unanimously.

Marcia Egbert received a phone call from a lady who would like to reinstate her license. Her original renewal date was on even years. If the lady reinstates now, it would be in the odd year. Ms. Egbert’s interpretation of the law was that you don’t change the original issue/renewal date which would make this lady owe 30 hours of CEU’s now and an additional 30 hours on January 31, 2014 (which would be her original renewal even year) for a total of 60 hours within the last 24 months. Ms. Egbert asked the Board if she could change her renewal date/year? Robin Harris made a motion for the reinstating applicant to be given a new renewal date and treat like an initial license. Richard Dressler seconded the motion. The motion carried unanimously. Ms. Egbert is to contact the lady to inform her of the Board’s decision.
