Licensure Status Report

Director’s Report
Deferred.

Attorney’s Report
Mailed letter to Daniel Moriarty.

Researched with LRC - Section 7 - Was deleted by 2008 Bill but nearly same result is achieved by Reg.
014. Discussion followed as to what to tell licensees. Feels as though the licensee is in “Interim
Limbo.” It was suggested that one option would be to have licensee to hold billing until they are
assigned a new license. It was also reiterated that we had no control over billing. That was between
the licensee and the employer. No other decision was made.
