MEMBERS ABSENT

Call to Order

Chair Anne Olson called the meeting to order at 12:58 p.m.

Minutes

A motion was made by Richard Dressler to approve the minutes of February 11, 2014 as submitted. The motion was seconded by George Purvis. Motion carried unanimously.

Board Monthly Financial Report

The FY14 Monthly Financial Report for July 1, 2013 through February 28, 2014 was reviewed. No further action taken.

Licensure Status Report

The Licensure Status Report was reviewed by the Board. Ms. Egbert informed the Board that the percentage of those licensees that did not renew as of March 3, 2014 was 11.06%. She stated that she had mailed out cease and desist letters to 118 licensees that had not renewed. This number included seven letters that had sent in incomplete renewals. Michael West stated that sending cease and desist letters to those renewals that were incomplete was an error and Ms. Egbert must send a denial letter explaining why they were being denied and giving them an opportunity to appeal the decision of the denial. Mr. West will forward Ms. Egbert wording to be used in the letter for those that were denied and would also include wording to be sent to those licensees that received the cease and desist letter dated March 7, 2014 for an incomplete application.

O&P Report

Executive Director Gordon Slone attended the meeting and reported the following:

1. Proposed Budget / Administrative Fee / Memorandum of Agreement

I have been meeting with the boards to notify them of their proposed budget for the next biennium and of any changes in the administrative fee from the previous biennium. After the budget is finalized and signed into law (mid-April), I will be forwarding a Memorandum of Agreement (MOA) to each board for their approval. The MOA process was instituted for the last biennial budget and the MOA merely recites the services provided by the Office of Occupations and Professions to the board, and the administrative fee that each board will pay for the next biennium, FY 15-16. There are no sweeps that he is aware of.

2. 2014 Kentucky General Assembly.

Please contact me for any matters on which your Board may need administrative or Budget information from the Office of Occupations and Professions during the General Assembly.

3. Personnel changes at the Office of Occupations and Professions.

a. Board Administrator / Administrative Specialist.

Vickie Logan is the new Board Administrator for the Board of Licensure and Certification of Dietitians and Nutritionists, the Board of Certification of Alcohol and Drug Counselors, and the Board of Interpreters for the Deaf and Hard of Hearing. Prior to this appointment, Vickie served as an Administrative Specialist in the Operations Section of O&P and so we will be working to fill that vacancy in the next few months. The Operations Section works behind the scenes to pay the bills, process license payments, prepare and track the budgets and handle IT matters.

b. Resource Management Analyst (RMA)

O&P is working to fill the vacant RMA position. The RMA assists the Board Administrators with board web sites, electronic forms and other information technology matters. Susan Ellis, Operations Section Supervisor, will be assisting the Board Administrators on IT issues until we have that position filled, hopefully within the next two months.

4. Database / On-line License Renewal Project

The Commonwealth Office of Technology (COT) project manager has sent the on-line renewal portion of the project to the developers and in the coming weeks O&P personnel will be testing how the data entry portion will function (the "back office"). We continue to work towards a June implementation date.

If you have any questions regarding this information or any questions regarding the services you receive from the Office of Occupations and Professions, please do not hesitate to contact me at gordon.slone@ky.gov or 502-564-3296 ext. 224.

Attorney Report

Mr. West reported that there are no ongoing administrative actions at this time.

Old Business

The Board reviewed the responses sent after the last Board meeting. No further action taken.

a. E-Mail to Jennifer Moore RE: New Provider Types for KY Medicaid Expansion

- Notification – Ms. Moore forwarded to someone else to answer but they never contacted Ms. Olson
- b. Plaque for Heather Johnson ordered and sent.
 - c. Response to e-mail from Bonnie Nicks, SLP/CCC – RE: Providing private SLP services. The Board stated that if she has a valid Kentucky license to practice SLP, she can practice anywhere in Kentucky.
 - d. Sent letter to Cassandra Webb, Board Chair of Education Professional Standards Board – RE: Substitute teachers who are not licensed filling in for SLP's who are out on maternity leave. Request by Board that Ms. Egbert include this in the Archive Issues.
 - e. Received an e-mail from Susan Ellis – RE: MOA for Investigative Services for the upcoming year. It has been posted and distributed.
 - f. Anne Olson, George Purvis and Allison Pack gave a report on the KSHA Conference. They stated that there was a lot of traffic at the booth with a lot of questions regarding Interims and the teacher situation. Over-all the conference was good and said that Dr. Fred Britton, the speaker that we sponsored to do the Ethics training did an excellent job.

New Business

Ms. Egbert received a call and an e-mail from Kelly Hensley of the Attorney General's Office requesting the process of how a complaint should be forwarded to the Board Office for investigation or action by the Board. Ms. Egbert forwarded the information requested to Ms. Hensley. Ms. Hensley wanted some additional legal information so Ms. Egbert gave her the phone number to the Board Attorney, Michael West. Mr. West stated that there was an investigation at the AG office that involved an SLP. He will be following up with Ms. Hensley.

An e-mail was received from Jennifer Bailey stating that she wished to file a complaint against the KY First Steps Early Intervention Program. After discussion, the Board determined that this was not a Board issue. It was suggested that the Board contact Ms. Bailey and let her know about the Board's decision and suggest she contact the Cabinet of Health and Family Services and/or her State Legislator. Anne Olson will write a letter to Paula Goff and copy Audrey Haynes at the Cabinet of Health and Family Services to make them aware of the situation.

An e-mail was received from Alicia Sneed, Director of Legal Services with the Education Professionals Standards Board regarding substitute teachers that are providing Speech-Language Pathology Services and are not licensed as an SLP. She asked the Board to let her know if we were aware of any violations. Anne Olson will respond to Ms. Sneed.

Anne Olson informed the Board that Jennifer Shinn had been appointed to replace her on the Board. Ms. Shinn was unable to attend this meeting due to the short notice and prior commitments. She plans to be here at the next meeting. Anne asked if the Board wanted to do elections of officers for the Board today or wait until next month when Ms. Shinn and Board member Robin Harris would be here. It was a consensus that we wait until the next meeting. Ms. Olson stated that today would be her last meeting. She reminded the Board that they have a work session scheduled for the evening of April 7, 2014 to work on a new Strategic Plan. The Board discussed the work session and decided they were not going to

have it on the evening of April 7, 2014 but would plan to extend the regular meeting scheduled for April 8, 2014 to entail the work session. The Board asked Ms. Olson if she would be willing to come and facilitate the work session. Ms. Olson stated that she would do that. The Board stated that she would be attending as an Honorarium and the Board would pay her a fee for facilitating the meeting. Ms. Egbert is to notify Robin Harris and Jennifer Shinn that the work session for the 7th is cancelled and the meeting on the 8th would be extended.

The MOA was discussed by the Board members and it was decided by the Board to have Michael West to set up a meeting with Scott Majors of the Physical Therapy Board and a representative of the Social Work Board to discuss the feasibility of the SLP/A Board going out on their own and/or what the procedure was to separate from O & P. Mr. West will get back with the Board.

Ms. Egbert included the directions on accessing KHRIS in the packets of the Board members to assist them in tracking their per diems, travel, copies of W-2's, etc.

Board Administrators Supervisor, Deb Day sent an e-mail in regard to fulfilling mailing list requests. O & P is not capable of querying the current database to obtain business addresses and phone numbers of licensees for those purchasing mailing lists. She would like for each Board to determine how they want to handle the mailing lists since we have to give them home addresses and phone numbers. After discussion, Michael West is going to look into the legality of mailing list information and report back at the next meeting.

George Purvis reported the following recommendations from the Complaint Committee:
