Minutes

A motion was made by George Purvis to approve the minutes of January 14, 2014 as submitted. The motion was seconded by Robin Harris. Motion carried unanimously.

Board Monthly Financial Report

The FY14 Monthly Financial Report for July 1, 2013 through January 31, 2014 was reviewed. Executive Director Gordon Slone went over the report with the Board. He also reported that the SLP/A Board was not selected for a sweep in regard to the Budget for 2015. No further action taken.

Licensure Status Report

The Licensure Status Report was reviewed by the Board. After reviewing the report it was determined that the numbers were skewed in regard to the number of audits for each profession. Marcia Egbert will refigure the numbers and notify the Board of changes, if any. The Board discussed the percentage of renewals the Board audits currently (15%) and whether or not it needed to change. Richard Dressler made a motion to change the percentage of audits to 10%. Lynda Bracken seconded the motion. The motion passed unanimously.

O&P Report

Executive Director Gordon Slone reported the following:

1. Proposed Budget.

The Governor announced his proposed biennial budget on January 21, 2014. I will be sending a copy of the proposed budgets to board members next week. Only one board is scheduled for a fund transfer for FY 2015 in this proposed budget and I have contacted the Chair of that particular board. Please keep in mind that this is only the proposed budget and that the Legislature will review the proposal during the General Session and the budget will not be final until it is signed into law in mid-April. Once approved, an MOA will be created and sent out to the Boards.

2. 2014 Kentucky General Assembly.

Please contact me for any matters on which your Board may need administrative or budget information from the Office of Occupations and Professions during the General Assembly.

3. Vacancies at the Office of Occupations and Professions.

a. The vacant Board Administrator position was recently filled. Vickie Logan will transfer to this position from the Fiscal Section. This will open up another position in the Fiscal Section that will need to be filled.

b. Justin Turner, our Resource Management Analyst who assists the Board Administrators with board web sites, electronic forms and other information technology matters, has transferred from our agency. We have asked for authorization to fill the position, and our Operations Section Supervisor, Susan Ellis, will be assisting the Board Administrators on IT issues for the time being. It will probably take approximately three months to fill this position.

4. Database / On-line License Renewal Project

The Office of Occupations and Professions usually has working sessions with representatives from the Commonwealth Office of Technology several times a week on the database/on-line license renewal project. The COT project manager has sent the on-line renewal portion to the developers and in the coming weeks O&P personnel will be testing how the data entry portion will function (the "back office"). We continue to work towards a June implementation date. The update of the renewal project will not be affected by the lack of an IT person in the Office of O&P. COT is managing this change.

If you have any questions regarding this memo or any questions regarding the services you receive from the Office of Occupations and Professions, please do not hesitate to contact me at gordon.slone@ky.gov or 502-564-3296 ext. 224.
